

Serhii React Native Developer

I am a React/React Native developer with over three years of experience. I utilize my technical and analytical skills to build dynamic and high-speed websites, apps, and platforms, contributing to their advantage and revenue growth. I am a proactive problem solver, striving to find elegant solutions to technical challenges. I am comfortable collaborating closely with cross-functional teams to deliver high-quality software within deadlines.

EXPERIENCE

DevIT

React/React Native Developer
November 2022 - Present

I specialized not only in React Native but also in iOS and Android mobile application development, utilizing my expertise in JavaScript, TypeScript, and React.js. With a strong command of React Native framework, I successfully built and deployed high-quality mobile applications.
